## **ABOARD THE WENONAH II**

**Monday October 3, & Thursday 6, 2011**

Start this day trip with a leisurely drive to Gravenhurst. Explore the Muskoka Steamship Museum before boarding the Wenonah II for your 2½ hour lunch cruise. The Wenonah II is the first ship to be built in Muskoka since 1907 and boasts all the style and elegance of a passenger vessel built during this era. View the spectacular scenery from the deck of this beautiful ship as it gracefully sails out of Gravenhurst. This ship features a gracious dining room, three decks for passenger viewing, air-conditioning and even an elevator. After your lunch cruise visit Grace & Speed- the Muskoka Boat and Heritage Centre celebrating life on the water, including a full sized 'living' bow of a steamship, Grand Resort display, boat builder's workshop and North America's largest in-water display of antique and classic boats. Then depart for Johnson's Cranberry Marsh for tour and some tasting of some delectable cranberry treats.
