## Quebec City & The Eastern Townships of Quebec October 3 – 7, 2011 5 days/4 nights

The Eastern Townships are a celebration of bi-cultural co-existence; New England charm with Quebec Flair.... The Townships area richly represents Canada's two founding cultures. Visitors to the area are quick to notice the architecture, lifestyles and particular ways established by the English, the Irish and the Scots, and built upon and enhanced by the subsequent arrival of French-speaking settlers with their own lively traditions.

Next we visit Quebec City the cradle of French civilization in North America and the only walled city north of Mexico. The city itself is uniquely beautiful and is filled with history.
