

The Lucy-Desi Experience

July 22 – 24, 2011 3 days / 2 nights

Enjoy a nostalgic visit to Jamestown, New York, birthplace of Lucille Ball, the person whose face has been seen more often by more people than the face of anyone else who ever lived.

Step into television history when you visit Lucy and Ricky Ricardo's New York City apartment in the Desilu Playhouse, also known as the 'I Love Lucy' museum. The Desilu Playhouse houses exact replicas of some of the most famous sets of the series as well as vintage costumes and memorabilia. Visit The Lucy-Desi Museum, and view exhibits featuring costumes, wardrobe and personal memorabilia of Lucy and Desi. Also included is the Lucytown tour, a delightful and historic look at Lucy's hometown. You'll see the homes where The Queen of Comedy was born and grew up, theatres where she performed, places where she attended school, the cemetery where she is buried with her family and much more.
